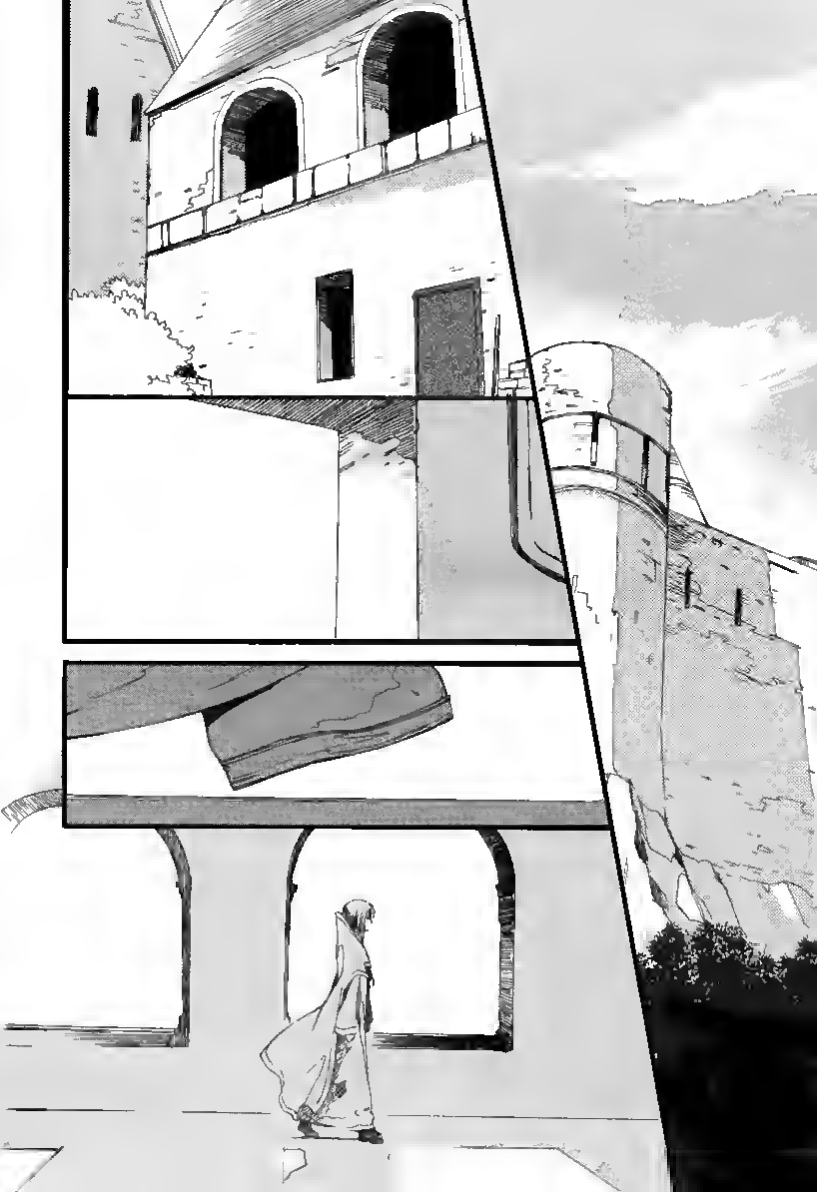
Chapter 3
あき
Aki



On the table
There are 10 frames
From 0
to 9
They are matched with the card's number

The cards
Are tarot cards?
Right.
In your world...
There will be various players who enter the stage in correspondence to the cards that fit these frames.
?
For example:
Card number 4...
The Emperor...
Means control.

Who is the one who corresponds to this card in your heart?
The Emperor...
His Majesty...?
If you already have a candidate for it in your heart...
Just place the card...
On the 4th frame.

SFX: cluck
The writing...!

This is
His Majesty's name
You have to...
Arrange these 10 cards...
This is your trial.
Will it end after I finish placing all the cards on the frames?
Exactly.
Nevertheless, you will fail the trial if any of the cards do not match up with the right players.
...Then how about that number 4 card? Did I place it correctly?
It's hard to say...
The table is merely reflecting your will.

THE CHARIOT
VII
THE LOVE
VI
...?
In short.
What you need to do is place each of the 10 cards in the right spot.
The wrong placement of the cards...
Would signify that you haven't really perceived your world as it truly is.
If you chose an unsuitable placement...
The wheel of fortune will not turn successfully.
Only when the wheel of fortune turns successfully...
Will you have passed the trial.

SFX: Creak
.Oh?
Good morning, Angel
You are very early today
I always come at this hour
It is you who is early, Ranta
Haha

Last night, a group of bandits went on a rampage again.
I sent out my men in response.
It happened again...
It's been happening a lot lately.
Yeah.
Although, in emergency, I have the power to mobilize the army by my own judgement without authorization.
But this is no different than ultra vires.
PR/N ULTRA VIRES MEANS BEYOND THE POWERS MEANING IT CAN BE DONE WITH LEGAL AUTHORITY
So I have to write a letter to justify my actions and a letter of apology for my actions since last night.
Excuse me.
It would be great if the senate would let such matters go with just this letter of justification.
Do you need any help?
Thank you.
But no, I'm already finished.
If I knew that Angel would come to help me, I would have written it slowly.
:
Tch

Other than His Majesty's seat...
There are 7 other seats...
But sadly, it is already done...
At His Majesty's side...
There are 7 courtiers
.....
Excluding me, there are only 6 people left
The numbers won't add up to 10 ..
In other words, among the 10 placements on the table, some of them are not His Majesty's confidant courtiers.
Then again ...
The confidant courtiers may not necessarily be suitable to place them on the table ...
This makes..

It will be just fine if I could just find out whom the voice belongs to.
But now, it has become such a huge job...
The range
Of the candidates is greater than I anticipated
DIE!
From that day onwards
I didn't know whether my thoughts have changed or disappeared
I haven't had such a strong oracle's dream since then...
But it has not completely disappeared
One-

There is still about an hour before the council starts.
Really?!
Great!!
Now... What's the time?
Is it done?
Yes, it is...
I'll go take a nap in my chamber...
I'm sorry if I can't wake up before the council starts...
Oh...
You really mean it?!
And i'll submit this to the senate
Don't worry.
I'll wake you up ten minutes before it starts...

We are a match made in Heaven!
That's why
Although you are an excellent person, you always say too much nonsense
Rante
Even though you are stubborn and brittle, deep down, you really are a good person
Angel
I'm so happy! Thank you!
JUST GO TO YOUR CHAMBER!
Don't have to make such a hateful expression!
You

Then...
Whether an Aruosumente is a success or not...
We still don't know, do we?
No...

I understand your feelings of wanting to find the enemy as soon as possible and to forestall him.
But do you think it will go as smoothly as you hope?
However, we have succeeded in confirming the existence of the obstructionist.
That is true. We can also see that as a big progress.
So... how is it going in regards to the trial?
Do you have any idea about the rest of the candidates?
About that...
I'm confused. I really don't know what to do.
Hey, hey...
You're not being serious, right?

You do know that is of vital importance, do you not?
I know...
I only have my obstinate thoughts to blame
Thoughts ?
Deberto, do you know anything about tarot cards?
Huh?
Oh!
Though I don't know the details...
They are cards with pictures on them that are used to perform divinations, are they not?
Yes, they are.
Every card has its own number and name
The Magician is number 1.
The Empress is number 2.
From 0 to 9
Other than card number 4, The Emperor...
I have no idea about the rest...
And then
I need to figure out who is most suitable for each card, but...
But...?

Ah...
Furthermore, there are still The Lovers...
Who might those lovers be...?
There is also The Chariot. I don't see any connection between that and a person.
Speaking of The Magician, it's not like there is anyone who can use magic...
I simply cannot understand...
These kinds of things that rely on perception
But no matter what...
I understand that from one card, we can "read" many kinds of implied meanings.
Since it is used for divination...
...
Don't they seem just like these kinds of things?
Or when we look at the stars, we are able to see a dog, a bear, etc...
For example when we look at the clouds, it looks like an animal...
Hmm...
They are similar to that, are they not?

Now that you mention it ...
You have always been like this ...
A stone is a stone. You have no imagination at all
Rekuna!! Look! What is this!
A stone ...
It's a stone ...
It's not a stone!
It's a rabbit!
Rekuna you stone head!!
Quite true ...
I often made His Majesty angry because of that.
Oh yes, you surely did
Well ...
There is no helping it if you are not good at it ...
I'll read more books to understand more about its meaning and hopefully I can get enough knowledge to solve this
Alright, let's do that!
Regardless...

Whether or not I understand the meaning of the cards
It doesn't change the fact that I don't know who the owner of the voice is
This is the worst possible situation to be in
Where can I supposedly protect His Majesty...
In what kind of situation will I not be able to protect him...
And in the situation where I will be absolutely unable to protect His Majesty
Who will
Suddenly draw his sword?

Yawn~
Rante...
Pardon?
That was the 20th time
Yawning
Oh...
Did I yawn that many times?
Yes, you did
I have been counting them
Your Majesty...

That's right...
The report submission regarding yesterday's bandit group has been completed
It has been accepted and reviewed by the senate's Deberto
Well, we don't have any important matters to discuss today...
Let's end this early!
Is that so...
Me too
Same for me
I also don't have
Anything to report
Oh!
.....
There is nothing...
To report from the library either

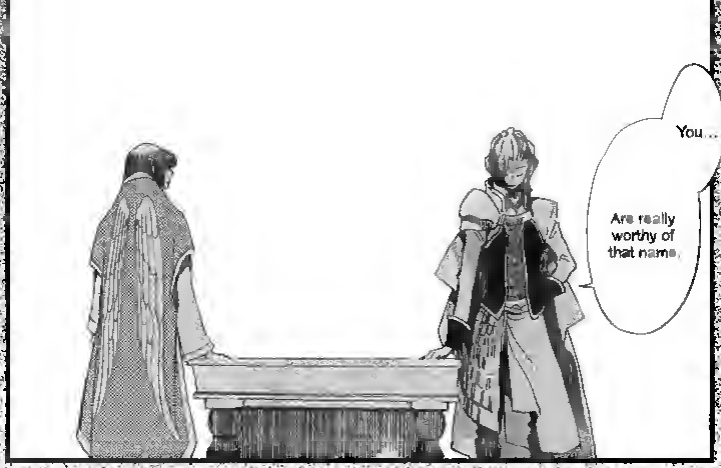
The black knights...
Also don't have anything to report
I see
Dante...
Sometimes you need to speak up to report to His Majesty for yourself
You can't always depend on your little brother
.....
Then there is no problem.
You're right...
However
Ranie...
You are also being too easy on him
...Haha.
I'm sorry.
It's just that it has always been like this...

it's not an emergency case. We can discuss it at tomorrow's council
Hold on, Regina!
カリ
SFX: bow
This bill proposed by His Majesty...
There is something that needs to be checked.
The rest is fine
hmph
We can't misuse the important research and development funds.
Like I said before...
To produce a machine that His Majesty wants to make for fun.
WHY'S THAT?!
Why is it that it's only my bill that always seems to have a problem?!
There shouldn't be any problems with it!

Yeah...
It started...
The routine...
"Ending early"
Has now become impossible
HAVEN'T I TOLD YOU IT IS NOT FOR FUN?!
If it's for the military's development, then that is even more reason that Your Majesty should not get involved.
Do you want the senate to meddle in this?
I SAID IT'S NOT A WEAPON!!
SENATE! SENATE! SENATE! WHY DO YOU ALWAYS MENTION THE SENATE EVERY TIME WE TALK?!
Your Majesty. The senate is a government body who supervises the King!
If we are not on good terms with them, it might cause disorder in the national policy!
It is exactly because the senate exist...
That we, the young courtiers, are allowed to assist you, Your Majesty

Ah...
Your Majesty!!
Dismis-sed!!
STONE HEAD!!
REGUNA YOU IDIOT!
ENOUGH!!
YOU ALWAYS TREAT ME LIKE A KID!!
SFX: Smack
SFX: Slam
.....
Then everyone, let's disperse
He called me a stone head again...
He called you A stone head again
...

Well...
I understand His Majesty's and your point of view...
But for His Majesty to see you, who has been serving at his side since childhood, always side with the senate...
His Majesty cannot help it but to get angry because he felt betrayed...
As he sees you as his family
I hope you can understand him.
Al-though you put it like that...
If anyone else said, "listen to the senate..."
His Majesty won't listen to them either.
Indeed!
SFX: Shuffle
Right.
Angel
You really are a challenge.



You...
Are really worthy of that name.

Angel...
Refers to you?

Yes.
Is it a nickname?
Well...
I don't remember when I got it.
"Just like the messenger of God..."
Always right, no one can dispute."
It is not something worthy of praises.
I see.
I am really curious as to who gave you that nickname.
Whoever gave it to you has really good taste.
Anyway, you are not improving at all.
Be quiet!

Nothing will happen even if you keep staring at it
I know!
Before you complete the answers, the cards could change randomly
Just like when you are making a rough draft, you could just place the card randomly and see what will happen.
Is there a time limit to complete this?
Of course there is!
I just don't know when
What?!
Be at ease
It won't be any time soon.
Even if you hate it, you will know when the time is about up

Are you sure?
Yes
.....
Well, in any case..
Although the time limit is still far away, the night is yet, very short..
And the end will surely come sooner or later.
There is no doubt about that.
The cards...
Other than The Emperor there are still 9 cards remaining.
Even though it seems really simple
I am yet unable to do anything
There is no magic in this world.
So... who is The Magician ...?

Are you...
Also one of the players?
Sage...
The trial is making Regina waver! Will he be able to find the truth?!
.....
Hey..
What..
So it is not magic?
No, it is not
Don't ask such question that will make the future unstable!
Of course I'm not!
